Data Protection: Personal information that you provide will be held securely and will only be shared to support the planning and delivery of Plymouth Children's Centres - enabling us to keep you updated on our services and activities. Anonymous statistical information may also be passed to other organisations to assist in the planning and monitoring of services. The Data Controller for Plymouth City Council is the Corporate Information Manager who can be contacted 01752 304522 about the use of your personal information, if necessary. Email: information.governance@plymouth.gov.uk

This information will be held on Plymouth Children's Centre's electronic database (eStart).

Parent to be signature: _____ **Date:** _____

You will be informed by the Children's Centre closest to where you live, of a Great Expectations group starting when you are between 23 and 30 weeks of pregnancy. If you need a course close to where you work please contact the number below.

Note - once your pregnancy is confirmed you may take reasonable time off work for medical visits connected with the pregnancy. There is no maximum or minimum amount of time off specified for these visits. Rather, you are entitled to as much time off as is necessary to attend each visit, this includes travel time. You will need to provide your employer with medical evidence confirming the pregnancy, giving two weeks' notice of your medical visits. You should show your appointment card if requested by your employer at any time after your first appointment.

Please send the completed form to the Central Allocations Team at the address below, or return it to your Midwife who will forward it on.

FAO Central Allocations Team
